## REGENTS POLICY ON ORGANIZATIONAL MEMBERSHIP

The established policy of the Board of Regents of the State of Kansas prohibits discrimination on the basis of sex, race, religious faith, national origin, age or physical handicap within the institutions under its jurisdiction. All fraternal and campus-related organizations shall follow this policy in the selection of their members, except the prohibition against sex discrimination shall not apply to social fraternities or sororities which are excluded from the application of Title IX of the Educational Amendments of 1972.

The right of organizations to establish standards for membership is acknowledged provided that all students are afforded equal opportunity to meet those standards. Just as all students have the right to choose with whom they would associate on the campus, an organization shall have the right to select its members subject to these principles. Nothing in this policy shall be interpreted as imposing a requirement which would violate the principle of selection on the basis of individual merit.

The responsibility for compliance with this policy lies with each organization. In discharge of its responsibility, each organization shall acknowledge its understanding of this policy. Such acknowledgement shall assure that there exist no restrictions on membership, either local or national, which violate this policy.

The Chancellor or President of each institution under the jurisdiction of the Board shall establish a committee, composed of students, faculty, and administrative personnel, to deal with matters related to this policy and its application. In the event of an alleged violation of this policy, the committee shall investigate the allegation and report its findings and recommendations regarding it to the institution's Chancellor or President.

## REGISTRATION COMPLIANCE STATEMENT

3. A registered organization must maintain at least five (5) members.

4. A registered organization's membership must consist of at least 50% University persons.

6. A registered organization must maintain a current copy of their constitution or statement of purpose on file in the SGS Office.
7. A registered organization must maintain a current listing of officers on file in the SGS Office.

It should be understood that the requirements for student organizations to become registered or to maintain registration are not limited to those listed above. In addition, it should be understood that non-compliance with any of these requirements is grounds for revocation of registration.
